MASSACHUSETTS DAIRY
WORKS FOR THE WORLD
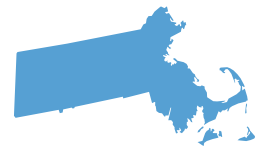

Global demand for protein-rich dairy is rising.

Consequently, U.S. dairy exports have more than quadrupled since 2000, to $5.6 billion in 2018. Our top five markets are Mexico ($1.4 billion), Southeast Asia ($771 million), Canada ($639 million), China ($500 million) and Japan ($270 million).

That's good news because dairy exports create Massachusetts jobs and lift the state's economy.
